DIES IN FIVE MINUTES

Robert Stevely Takes Poison for Love of Neice.

THE GIRL HAS DISAPPEARED

Pipe Line Foreman Struggles With Bosom Friend To Reach Poison And Finally Succeeds—Threatens Girl's Life Several Times.

PITTSBURG, August 16.—Because he was deserted by his handsome young niece, with whom he was madly in love, Robert Stevely, a widower, aged 47 years, committed suicide in Agnew street, East End, in a dramatic fashion yesterday afternoon after a desperate struggle with his bosom friend. He had the bottle of poison taken from him and secured it again during the struggle, drinking several ounces of the fluid. The vial contained corrosive sublimate and carbolic acid. He was dead in five minutes.

Stevely is said to have threatened to kill the girl and then end his own existence. The niece disappeared several days ago.

The girl is Miss Minnie Easton, daughter of Mrs. Amanda Easton, sister of the self-murderer, at whose house in Agnew street, near Ralston street, in the Lincoln district of the East End, the tragedy occurred. Stevely, who had been a pipe line foreman for the Philadelphia Company for several years, lost his wife about a year and a half ago and his pretty niece went to his home in Gretto street, to keep house for him and look after his two little motherless boys, now 5 and 7 years of age. Stevely soon fell in love with the girl and openly showed his infatuation. She rejected his advances and left his home several times. The first of last week she went to visit relatives in another city.

The dead man is said to have procured a marriage license for himself and niece at the marriage license office a day or two ago.

Thursday night Stevely began preparations for carrying out his threats. He is said to have made a will that night leaving everything he owned in the world to the niece who had jilted him. He also wrote a letter to the girl and one to Father Francis Kane of the Sacred Heart Church, East End. The man went to a drug store in Lincoln avenue and purchased a half-pint bottle of the poison, saying it was for bedbug extermination. He told the clerk to "make sure that it would kill."

But he postponed the end until yesterday. Shortly after 2 two o'clock in the afternoon he appeared in the parlor of his sister's home, a dark-colored vial in his hand.

The suicide intended evidently to kill his entire family, for he poured out four cups of the poison. One he took himself and he tried to force his two small sons and his sister to take the other three. This they refused to do.

The sister, Mrs. Easton, thought the bottle contained whisky until she saw the label. Then she shouted to Robert Blair of 7055 Fletcher street, Homewood, a visitor and an old-country friend of Stevely, to get the poison.

A desperate battle with the madman followed. Blair is a small young fellow and he was handled as a baby would have been by the desperate foreman. Once Blair grasped the vial and managed to pour a greater part of the contents on the floor. In a moment Stevely had regained possession of the drug. He drank several ounces, then broke away from Blair and ran upstairs.

"Goodby, and luck!" shouted the grim man from the stairway. Then he fell on the landing and expired.
